Project:

OFFICE OF RESEARCH AND ESTIMATES

Project Initiation Memorandum

11 July 1950

SS

Date:

To:

From: Balkan situation
Publications Division, Projects Planning

Subject:

Statement of Project:

Origin: To estimate the possibility of direct or indirect Soviet aggression in the Balkan - Black Sea area

Problem: The estimate is to include Satellite action, as well as Soviet action. The states against which action is to be estimated are Yugoslavia, Greece, and Turkey.

Scope: The term "indirect aggression" is intended to cover subversive or guerrilla activities. Evidence of troop movements is considered particularly significant
